

# ARTD 418 - Design Process

By: Suryaa Murali

# Concept Maps

- Initial brainstorming/Ideation
- Provided visual representation of the concept that would go onto become the site
- Also framed the site from a story perspective rather than architectural

Didn't want to do Computer Engineering

Undeclared

Apires to be a UI/UX Designer

## Technology

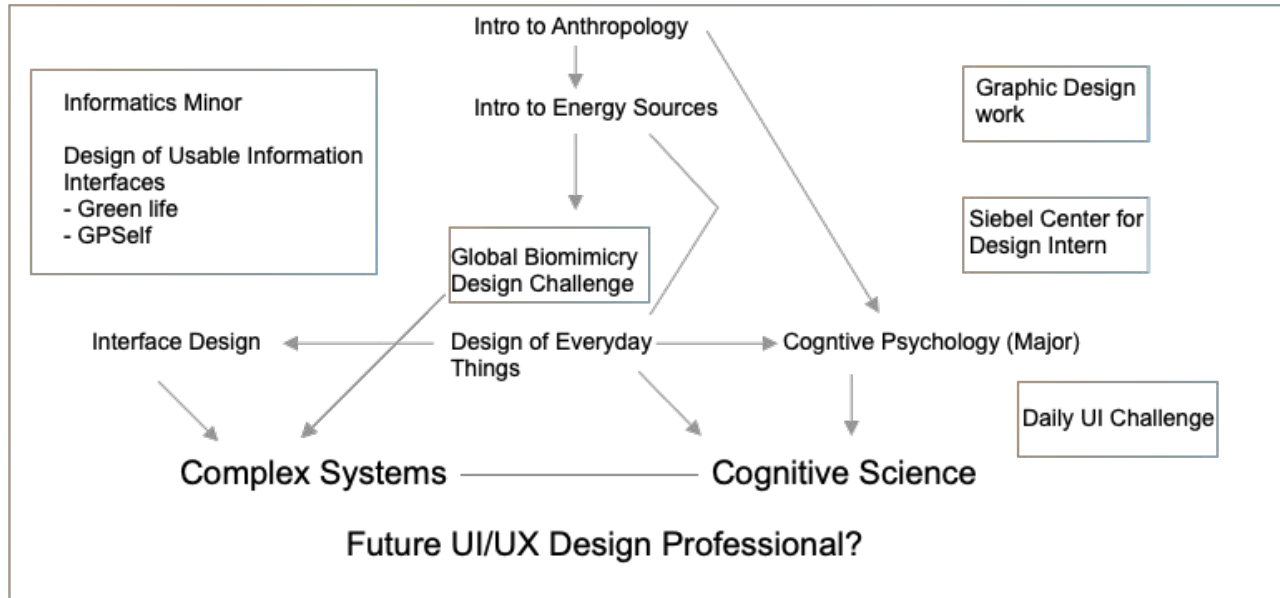

2013-15  
Interests in Robotics and Computer Networking

## Sustainability

2015-17  
Environmental work

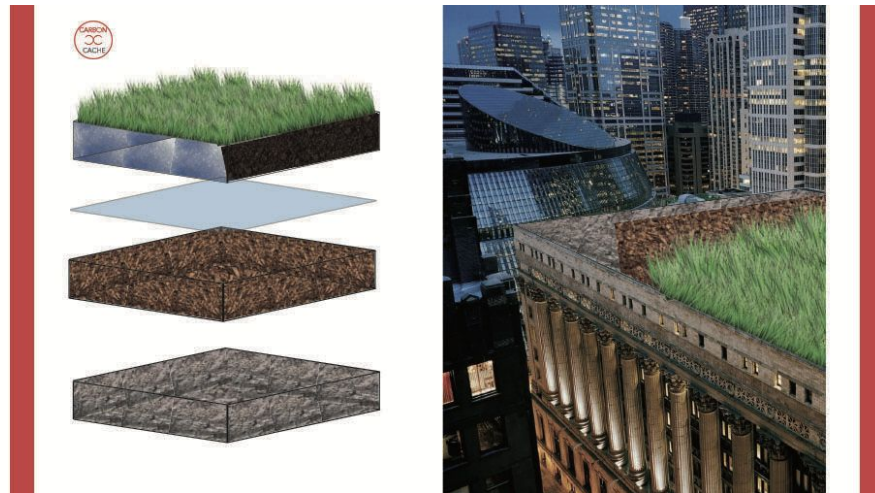

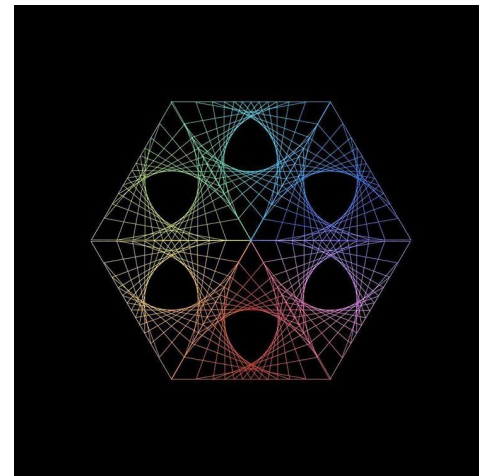

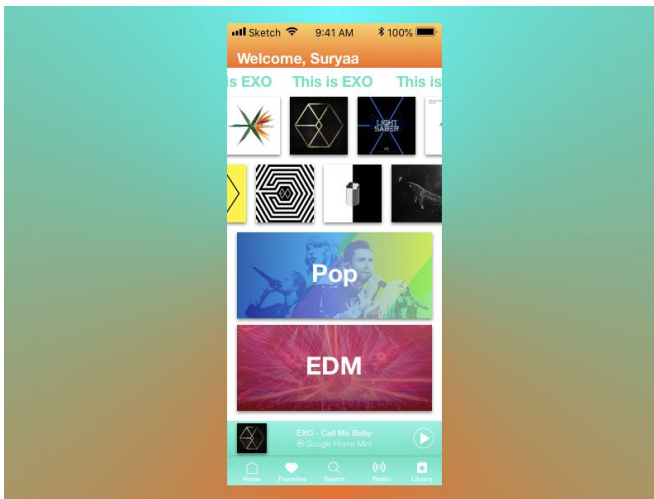

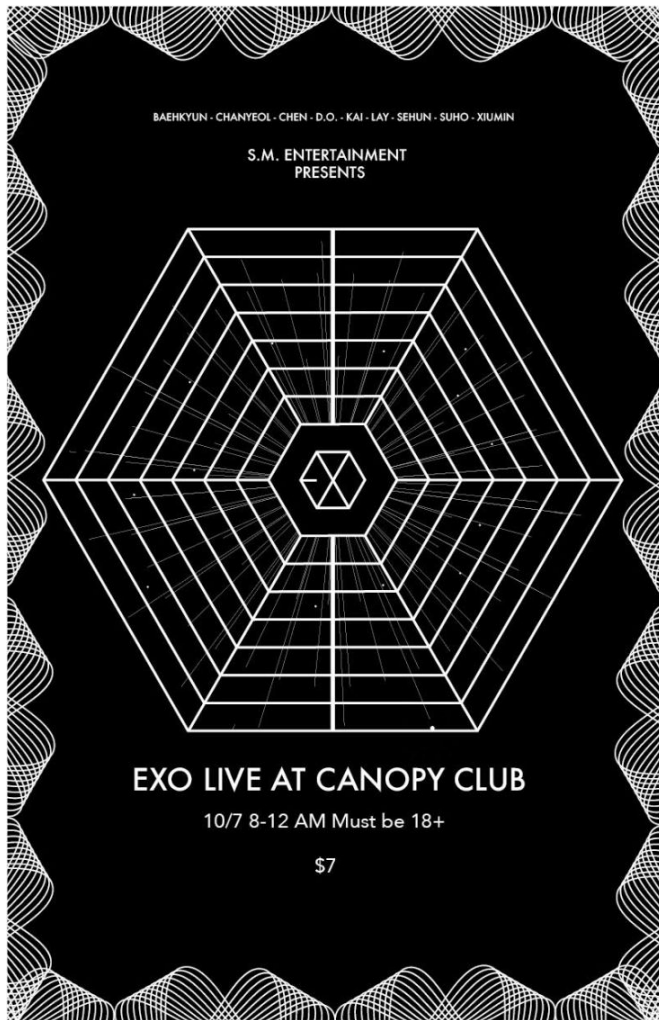

## Design

2015- Present  
Focus on Digital Product Design

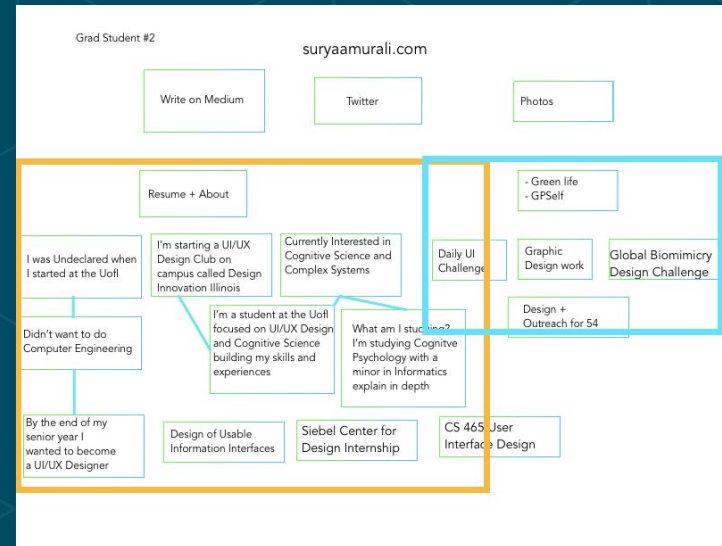

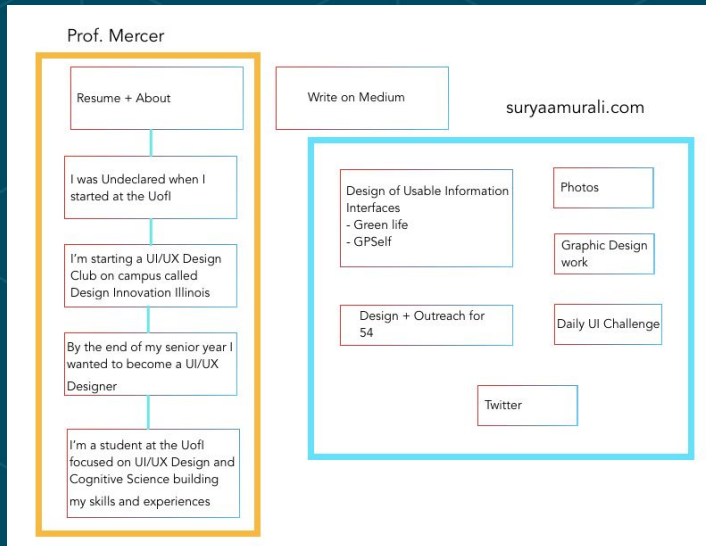

# Cards

- Created cards for components of the concept map
- Gathered supporting images
- Cards were used to sort and provide order to the map

# Site Maps

- Mapping the Interaction flow of the site based on the concept map and using the cards
